

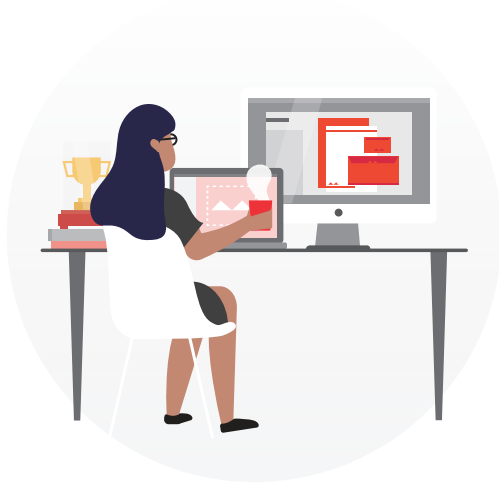

Graphic Design Rates

2021-2022

3 TIER OPTIONS

Which tier best describes your business/company or organisation?

PREMIUM

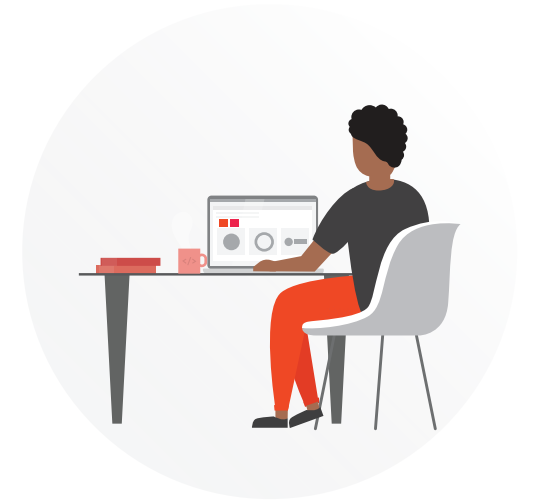

The premium tier is best suited for established businesses and big corporate companies.

STANDARD

The standard tier is best suited for clients looking to improve and/or expand their small business or for medium-sized companies.

STARTER

The Startup tier is best suited for small business startups and clients on a tight-budget.
